

Insurance

We are please that you have insurance benefits to help with the cost of your dental care. We would like to help you obtain the maximum use of these benefits. With this in mind, please read the information on our insurance claims process.

In order to print a dental claim a copy of your dental insurance card must be provided to the front desk so it can be scanned and entered properly.

DO YOU ACCEPT MY INSURANCE? HOW MUCH WILL THEY PAY?

This is a fee for service office; we collect payment in full at the time that services are rendered. We will provide you a claim that itemizes your treatment for possible insurance reimbursement. When **you** submit this claim, the insurance company should reimburse you directly.

INSURANCE DIDN'T PAY, NOW WHAT?

We provide you with a claim as a courtesy. It is your responsibility to collect the insurance funds that are due to you. You have a legal contract between you and your insurance company. Our office is not, and cannot be, a part of that legal contact. Ultimately, you are responsible for all charges incurred in our office.
